I own a home & a business in Barrington. Having additional trains run in our area would create safety problems - congestion & environmental issues. It would create personal & financial hardships for all concerned. Our schools & companies would be effected greatly as well as home values would drop. This would be a hardship & effect all of us in Barrington.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.

### YOUR INPUT IS IMPORTANT!

Comments provided by the public help determine the scope of the environmental review.
